

2018-2019 Member Handbook

Thank you for your interest in the 2018-2019 season of the Alabama Symphony Youth Orchestra! After a very successful season of high level music making, we are excited about what the future holds in store for the orchestra. A snapshot of the season consists of a Side-By-Side concert with the Alabama Symphony Orchestra, and the annual holiday concert at the Galleria!

The ASYO is an ensemble committed to performing at the highest level. It consists of the very best young musicians from around the state of Alabama who are here to share their talents, aspirations, and successes. In order to increase our level of performance, it takes a great deal of commitment from each member to always bring their best to rehearsals and performances. We ask that you make your participation in the ASYO a top priority. By doing this you will reap all the rewards the ensemble has to offer from your hard work.

The 2018-2019 Member Handbook is for members to utilize in order to provide information regarding their involvement in the organization. Carefully review the policies and guidelines, more specifically the section pertaining to music, attendance, and rehearsal schedule. If you have any questions, please do not hesitate to contact a staff member of the ASYO. Our goal is to provide a learning environment conducive to the production of musical thought, ideas, and interpretation. We want you to have an enjoyable time during your tenure with the ASYO.

We are ecstatic about this season and look forward to sharing the wonderful experience of making great music!

REHEARSAL ETIQUETTE

Youth Orchestra rehearsal is a place to learn how to behave in a professional orchestra setting. All ASYO members are expected to adhere to the following guidelines:

- Members are expected to arrive at least 15 minutes before the rehearsal start time to unpack, tune, and warm up.
- Cell phones and other electronic devices should be put away and set to silent.
- Members should bring their music and a pencil to every rehearsal.
- Parents please pick up your kids promptly at the end of rehearsal.
- Gum chewing is not permitted.
- Please be respectful of the rehearsal space by picking up around your chair. This includes your belongings and all trash. Food is not permitted inside the Mountain Brook JHS band room.

SAFETY POLICIES

All members should wait inside the lobby at Mountain Brook JHS to be picked up from rehearsal. All members are expected to stay on the premises for the duration of the rehearsal or concert. Parents please pick up your kids promptly at the end of rehearsal.

MUSIC

All members are responsible for the care and safe-guarding of their ASYO folders and music. Folders and music are the property of the ASYO or on rental to the ASYO, so replacement charges will apply for any lost or damaged music. **Music must be marked with soft lead pencil only.**

Folders will be issued at the beginning of each concert cycle to all wind/brass/percussion players and to each stand of strings. Wind players are responsible for bringing their folders to each rehearsal. String players will receive practice parts to take home and should leave their folders on the stand after each rehearsal.

All folders and music should be left on the stands after any performance unless otherwise instructed.

PERCUSSION REQUIREMENTS

The ASYO percussion section has the privilege of using instruments provided by Mountain Brook Junior High for rehearsals and the Alabama Symphony Orchestra for performances. Percussionists are expected to provide the majority of their own sticks and mallets, including one pair each of snare drum, glockenspiel, xylophone, suspended cymbal, and timpani sticks, and preferably a triangle with the appropriate beaters, tambourine, and assorted bass drum mallets. **All percussionists should arrive at least 20 minutes prior to their scheduled rehearsal time to ensure that the percussion set-up is ready for the piece to be rehearsed.**

PRIVATE INSTRUCTION

All members of the ASYO are required to study privately with a trained instructor on their instrument. Private instruction is essential to developing and maintaining the skills needed to perform as an individual and an orchestra member. If private instruction is financially unfeasible, please contact the ASYO staff to discuss the situation, as assistance may be available.

REHEARSAL SCHEDULE

Most ASYO rehearsals take place on **Sunday afternoons from 2:30-5:30pm at Mountain Brook Junior High School**, but **some rehearsals may be scheduled on weeknights or Saturdays.**

Communication

ASYO members are responsible for knowing when they are needed for rehearsal by checking the ASYO Online Calendar and their personal email regularly. Students and parents will be notified of any changes made to the schedule by email and/or phone. Weekly emails are sent through Mail Chimp. **All students and parents are responsible for making sure that ASYO emails are not filtered to their SPAM folders.** Please check your spam folder and ensure that all ASYO communication is added to your safe senders list. Anyone who cannot depend on email as a reliable source of communication should contact the ASYO staff to arrange for telephone contact.

REHEARSAL SPACE

All items in the rehearsal space are the property of Mountain Brook Junior High and are not to be removed or altered in any way. ASYO Musicians are expected to treat the rehearsal space with respect and cleanliness. **Folders, music, instruments, and personal belongings should never be left behind.** The space is used by the school during the week and anything left there is not guaranteed to be there when you return. Food is not allowed inside the Mountain Brook Junior High band room.

SCHOOL MUSIC PROGRAM

Public school, private school, and college music programs and their instructors are essential to the existence and success of the ASYO. The ASYO **HIGHLY RECOMMENDS** that all members actively participate in their school music programs by enrolling in school ensemble courses and participating in after-school music activities. We work with local schools and education institutions to compare schedules and avoid conflicts whenever possible. In the event of a conflict, the ASYO staff is happy to assist with working out an agreeable schedule solution.

SEATING AUDITIONS

All members of the ASYO must attend seating auditions at the beginning of the fall (August 25 and 26, 2018) and in the spring (December 8, 2018). These auditions will be blind and will be used to determine seating and part assignments. All seating assignments are subject to change until designated final by the Music Director.

SMALL ENSEMBLE PROGRAM

Select students will be invited to participate in small chamber music ensembles based on seating audition results. The program will highlight dedicated and passionate ASYO musicians and will challenge their ensemble skills. Small ensembles will rehearse on Sunday afternoons from 1:45pm-2:30pm and will perform in the community. Students who do not wish to participate in small ensembles will have the option to opt-out, and their position will be offered to another student.
